Work Experience

Junior Web Developer **Disability Rights California** **March 2022 - Present**
Impact - Created, updated, and tested various different web pages for public events, resources, and legal documents with my communications team. Increased productivity and DRC's website traffic by implementing signup pages and invite emails to promote all web events using HTML, Javascript and CSS.

Graphic Designer **Freelance** **January 2017 - March 2022**
Impact - Designed captivating logos, graphics, and branding material for 26 local brands. Illustrated 17 book covers for 4 local authors and 2 magazines.
